DE Raffiniertes Design und Komfort im Bad

Ein romantisch inspiriertes Flair verschmilzt mit zeitgenössischen Linien, um Stil und Exklusivität mit einzigartigem Komfort zu verbinden. Erhältlich in ovaler und runder Form, mit Variationen in Design und Größe.

Beta ist aus reinweißem Scene® gefertigt, mit einer sanften Textur, die sich sehr angenehm anfühlt und die Möglichkeit bietet die Außenfarbe individuell zu gestalten. Die Anfertigung von Zusatzelementen wie Ablagen ist ebenfalls möglich.

EN Refined design and comfort in a bathroom

A blend of romantic inspiration and contemporary lines results in this stylish and exclusive offering with high-end features and essential comfort. Find exactly the right solution from our selection of designs and formats featuring rounded and oval forms.

Made in Scene® with a soft, matt finish, extremely pleasant to the touch and complete with the option to customize the exterior colour. You can also incorporate complementary elements such as totems and shelves for enhanced functionality and comfort.

FR Une baignoire confortable au design raffiné

Des airs d'inspiration romantique et des lignes contemporaines, une solution de style et d'exclusivité qui offre les meilleures prestations et un confort essentiel. Proposée avec des formes ovales ou rondes, la baignoire Beta essential propose des variantes dans son design et son format et s'intègre ainsi dans tous les styles de salle de bain.

Fabriquée en Scene blanc pur, sa texture lisse est douce, fine et très agréable au toucher. Son extérieur est personnalisable avec la couleur de votre choix. Des éléments auxiliaires tels que totems et étagères complètent sa fonctionnalité instaurant ainsi une ambiance contemporaine dans votre salle de bain.
