DE Die Kraft des Materials und die Feinheit des Designs

Die FS-Standwaschbeckenserie besteht aus 22 Designs mit einzigartigen Formen, **die das Badzimmer verschönern und hervorheben.**

Die Stärke des Reinweißes, die Scene® mit seiner glatten, matten Oberfläche bietet, wird mit den Möglichkeiten farbiger Außendekorationen kombiniert.

EN Strong materials and delicate design

The FS floor-standing washbasin series includes 22 designs, with unique forms created **to enhance the beauty of your bathroom and stand out within it.**

The strength of pure white that Scene® brings, with its smooth, matt surface, blends with possibilities of colour on the outside to decorate its delicate and essential shapes.

FR La force de la matière et la délicatesse du design

La série de lavabos totems au sol FS est composée de 22 designs de formes singulières **créées pour prendre leur place et ennoblir la salle de bain.**

La force du blanc pur de Scene, de la surface lisse et mate de ces lavabos représente un allié dans la décoration qui peut aussi, si la situation le demande, **être complétée en combinant les possibilités de couleurs extérieures de ces totems aux formes délicates et essentielles.**
